PM Pick Up Please be prompt!	5:30	5:30

* Children registered in the conference may join their parents for lunch in the main conference center and tour the exhibit hall.

Equipping your child with a **labeled** full water bottle will facilitate keeping your child hydrated. We will set up a refill station.

A nutritious snack will be provided mid afternoon.

You will be given an ID card upon registration that you will need to present when picking up your child.
(It will be sized to fit your name badge.)

Upon picking up your child and signing them out, you will be given a token **for each child** that will allow you to exit.

We are praying that you will have an enriching conference.
